Lyceum Series

Join us for our 2011 Lyceum series Saturday nights from January to May. The forests in and around Rocky Mountain National Park provide us wonderful benefits such as water, recreation, wildlife habitat, timber, and other forest products. Forests are vulnerable to a wide variety of stressors. Regional experts will be here to answer your questions on insects, diseases, exotics, invasives, fire – wildfire & prescribed burns, ozone/pollutants, wildlife/biodiversity, watersheds, soils, and forests as indicators of climate change! Call (970) 586-1206 for specific topics and dates.

Free Park Movie

See the stunning 23-minute park movie at the Beaver Meadows and Kawuneeche visitor centers during normal business hours. This movie features spectacular aerial footage of the park’s rugged high country, as well as wildlife and other park resources. Available upon request. Available en español and English.
